The rules for using this website.

By using this website you accept these terms. If you do not accept them, please do not use the site.

1. What is on the site

We try hard to keep descriptions, photographs, prices and availability accurate and current, but we do not warrant that everything is error-free. Prices and availability may change until a booking is confirmed. An obvious error in a price does not oblige us to honour it — we will contact you and offer the correct price or a full refund.

2. Photographs

Photographs show the place or area concerned. Some general area and activity photographs are stock or supplied images used to illustrate the region rather than a specific unit.

3. Intellectual property

The content, layout and code of this site belong to The Masked Rentals Pty Ltd or our licensors. You may not copy, republish or reuse it commercially without written permission.

4. Acceptable use

Do not attempt to gain unauthorised access, interfere with the site, scrape it at scale, or submit unlawful, offensive or false content, including fake enquiries or bookings.

5. Links out

We link to other sites, including our advertisers and activity operators. We do not control them and are not responsible for their content or their conduct.

6. Availability

We do not promise the site will always be available. We may change or withdraw any part of it at any time.

7. Liability

To the extent the law allows, we are not liable for indirect or consequential loss arising from your use of this site. Nothing here limits liability that cannot lawfully be limited.

8. Law

South African law applies.
